ABOUT ME

Hi! I'm a passionate **Software Developer** with over 4 years of experience in web development and business-oriented digital solutions.

My expertise combines **React**, **Next.js**, and **TypeScript** with hands-on **Board EPM** development, translating business requirements into intuitive, data-driven applications.

Three qualities that define me best? **Curious**, **proactive**, and **solution-oriented**. Discover more about me at **www.andreapiano.dev** .
